

# Traffic Incident Management Training Program

The Illinois Department of Transportation, through the Illinois Center for Transportation and Southern Illinois University - Edwardsville, has established a Traffic Incident Management Training Program. This one-day course includes participants from all disciplines involved in incidents management and is the first multi-disciplinary class of its kind in Illinois.

*The goal is to provide responders with information and best practices that improve their safety at traffic incident scenes. To schedule a program for your agency or to attend a local training contact Teresa Haley.*
